

MASONRY CONTINUING EDUCATION PROGRAM

February 23, 2024 | 8AM to 2:30PM | Free to Attend
Construction Advancement Foundation | 6050 Southport Rd | Portage, IN

Midwest Masonry Council and The Northwest Indiana Mason Contractors Association (NWIMCA) is proud to invite you to the Masonry Continuing Education Program on February 23, 2024. This program brings together the architectural, design, and masonry communities for opportunities to collaborate and learn together. Program will include:

- Insights about masonry materials for architects, including how to incorporate these materials into building designs.
- Best practices about flashing, moisture control, and preventing damage caused by moisture.
- Information about the movement characteristics of structural masonry wall systems.
- An introduction to air and water-resistive barriers and how they work.
- Plus, hands-on masonry basics!
BE SURE TO DRESS ACCORDINGLY

This free program will take place at the Construction Advancement Foundation’s facility in Portage from 8:00AM to 2:30PM with breakfast and lunch included.

WHO SHOULD ATTEND?

- Architects & Designers
- Engineers
- Contractors
- Specification Writers
- Construction Managers

This program meets the Architects International Association (AIA/CES) criteria for continuing education. AIA members attending this event will receive up to 5 H/S/W learning units, which will be reported directly to the AIA.
